

A blue, rectangular portable SSD with rounded corners and a textured, wavy pattern on the front. The Netac logo is visible in the top right corner. It is standing upright on a dark surface, with a laptop partially visible in the background.

Netac

ZX20III EVO Portable SSD

Carry more, worry less

The ZX20III EVO Portable SSD is made for everyday convenience—perfect for keeping your photos, documents, and essential files with you wherever life takes you. With a USB 3.2 Gen 1 (5Gbps) interface, it offers smooth, reliable transfers so you can back up, move, and access content without hassle.

At just 34g, the ZX20III EVO is remarkably light and easy to carry, slipping naturally into your pocket, bag, or even a small pouch. Its rounded, compact design feels comfortable in hand and blends effortlessly into daily routines—at home, on campus, or on the go.

With capacity options from 128GB to 2TB and broad compatibility with phones, tablets, laptops, and desktops, it works straight out of the box. Free up space on your devices, keep important files organized, and take what you need anywhere—the ZX20III EVO makes everyday storage simple and effortless.

PRODUCT FEATURES

- **SMOOTH PERFORMANCE.** Easily transfer photos, videos, and everyday files with the fast, reliable USB 3.2 Gen 1 connection.
- **EFFORTLESSLY PORTABLE STYLE.** Weighing just 34g, the compact design slips easily into pockets, bags, or daily carry for storage on the go.
- **DIRECT PHONE CONNECTION.** Transfer photos and files directly from your phone to free up space instantly.
- **CAPACITIES UP TO 2TB.** Choose the storage you need for photos, videos, documents, and everyday digital essentials.
- **COMFORTABLE, MODERN DESIGN.** Rounded edges and a smooth exterior offer a comfortable grip and clean, refined look for everyday use.
