

The Netac logo is displayed in a white, sans-serif font in the upper left corner of the image. The background is a scenic photograph of a snowy mountain range with evergreen trees and a calm lake reflecting the landscape.

ZX20III High-speed Portable SSD

Unleash your workflow, anywhere

The ZX20III Portable SSD makes managing your digital life effortless. Its ultra-lightweight, compact design slips easily into pockets, bags, or laptop cases, making it ideal for commuting, travel, or daily carry. Rounded edges and a smooth finish provide a comfortable grip, so you can take it anywhere without noticing it.

With capacities from 512GB to 4TB, the ZX20III offers plenty of room for your photos, videos, documents, and apps. Whether you're backing up your phone on the go, storing media for school or work, or keeping games and entertainment handy, it keeps your files organized and accessible. Designed for everyday life, this portable SSD helps you stay productive, entertained, and ready for anything, wherever you are.

PRODUCT FEATURES

- **FAST 2,000MB/S READ SPEEDS.** Experience ultra-fast file transfers, keeping your work, media, and memories ready at all times.
- **ULTRA-LIGHT, TAKE-ANYWHERE DESIGN.** At just 23g and 9mm thin, it built for pockets, small bags, and everyday carry-perfect for travel and mobile use.
- **EFFORTLESS PERFORMANCE.** Smooth and responsive for work, study, gaming libraries, phone backup, and daily productivity.
- **SEAMLESS PHONE BACKUP.** Free up mobile storage instantly by transferring files directly from your phone to the SSD.
- **SPACIOUS STORAGE UP TO 4TB.** Keep your documents, memories, entertainment, and work files all in one compact device.
- **DESIGNED FOR COMFORT.** A soft, rounded body designed for a natural, pleasant grip during daily use.
- **READY FOR ALL YOUR DEVICES.** Works with phones, tablets, laptops, and PCs-no drivers, no setup, just plug-and-play.
