ZX20IV EVO Portable SSD

Every file always at hand

The ZX20IV EVO Portable SSD is built for life on the move—perfect for capturing memories, creating content, or managing work wherever you go. Powered by USB 3.2 Gen1 performance and premium 3D NAND flash, it delivers fast, effortless file transfer, backup, and access.

Weighing only 36g, its ultra-light, compact design slips easily into your pocket or bag, making it a travel-ready companion you can take anywhere. With dual cables for instant connectivity to phones, tablets, and PCs, plus capacities up to 2TB, you will have all the space you need for photos, videos, and essential files.

Simple, dependable, and incredibly portable—the ZX20IV EVO keeps your data close, secure, and always ready for the next adventure.

PRODUCT FEATURES

- **FAST, SMOOTH PERFORMANCE.** Up to 550MB/s read speed lets you open and move files quickly, keeping your workflow running smoothly.
- **RELIABLE STORAGE BUILT TO LAST.** Quality 3D NAND flash provides steady, dependable performance for everyday use.
- **WIDE DEVICE COMPATIBILITY.** With OTG support plus both USB-C and USB-A cables, it's easy to plug into phones, tablets, and computers.
- **MADE FOR DAILY USE.** Perfect for backing up photos, managing work files, or storing videos—ready for whatever your day brings.
- **POCKET-FRIENDLY DESIGN.** Lightweight and compact, it fits easily into a pocket or bag for effortless portability.
- **ROOM FOR EVERYTHING YOU NEED.** Available in 128GB to 2TB, offering flexible storage for work, travel, and entertainment.
